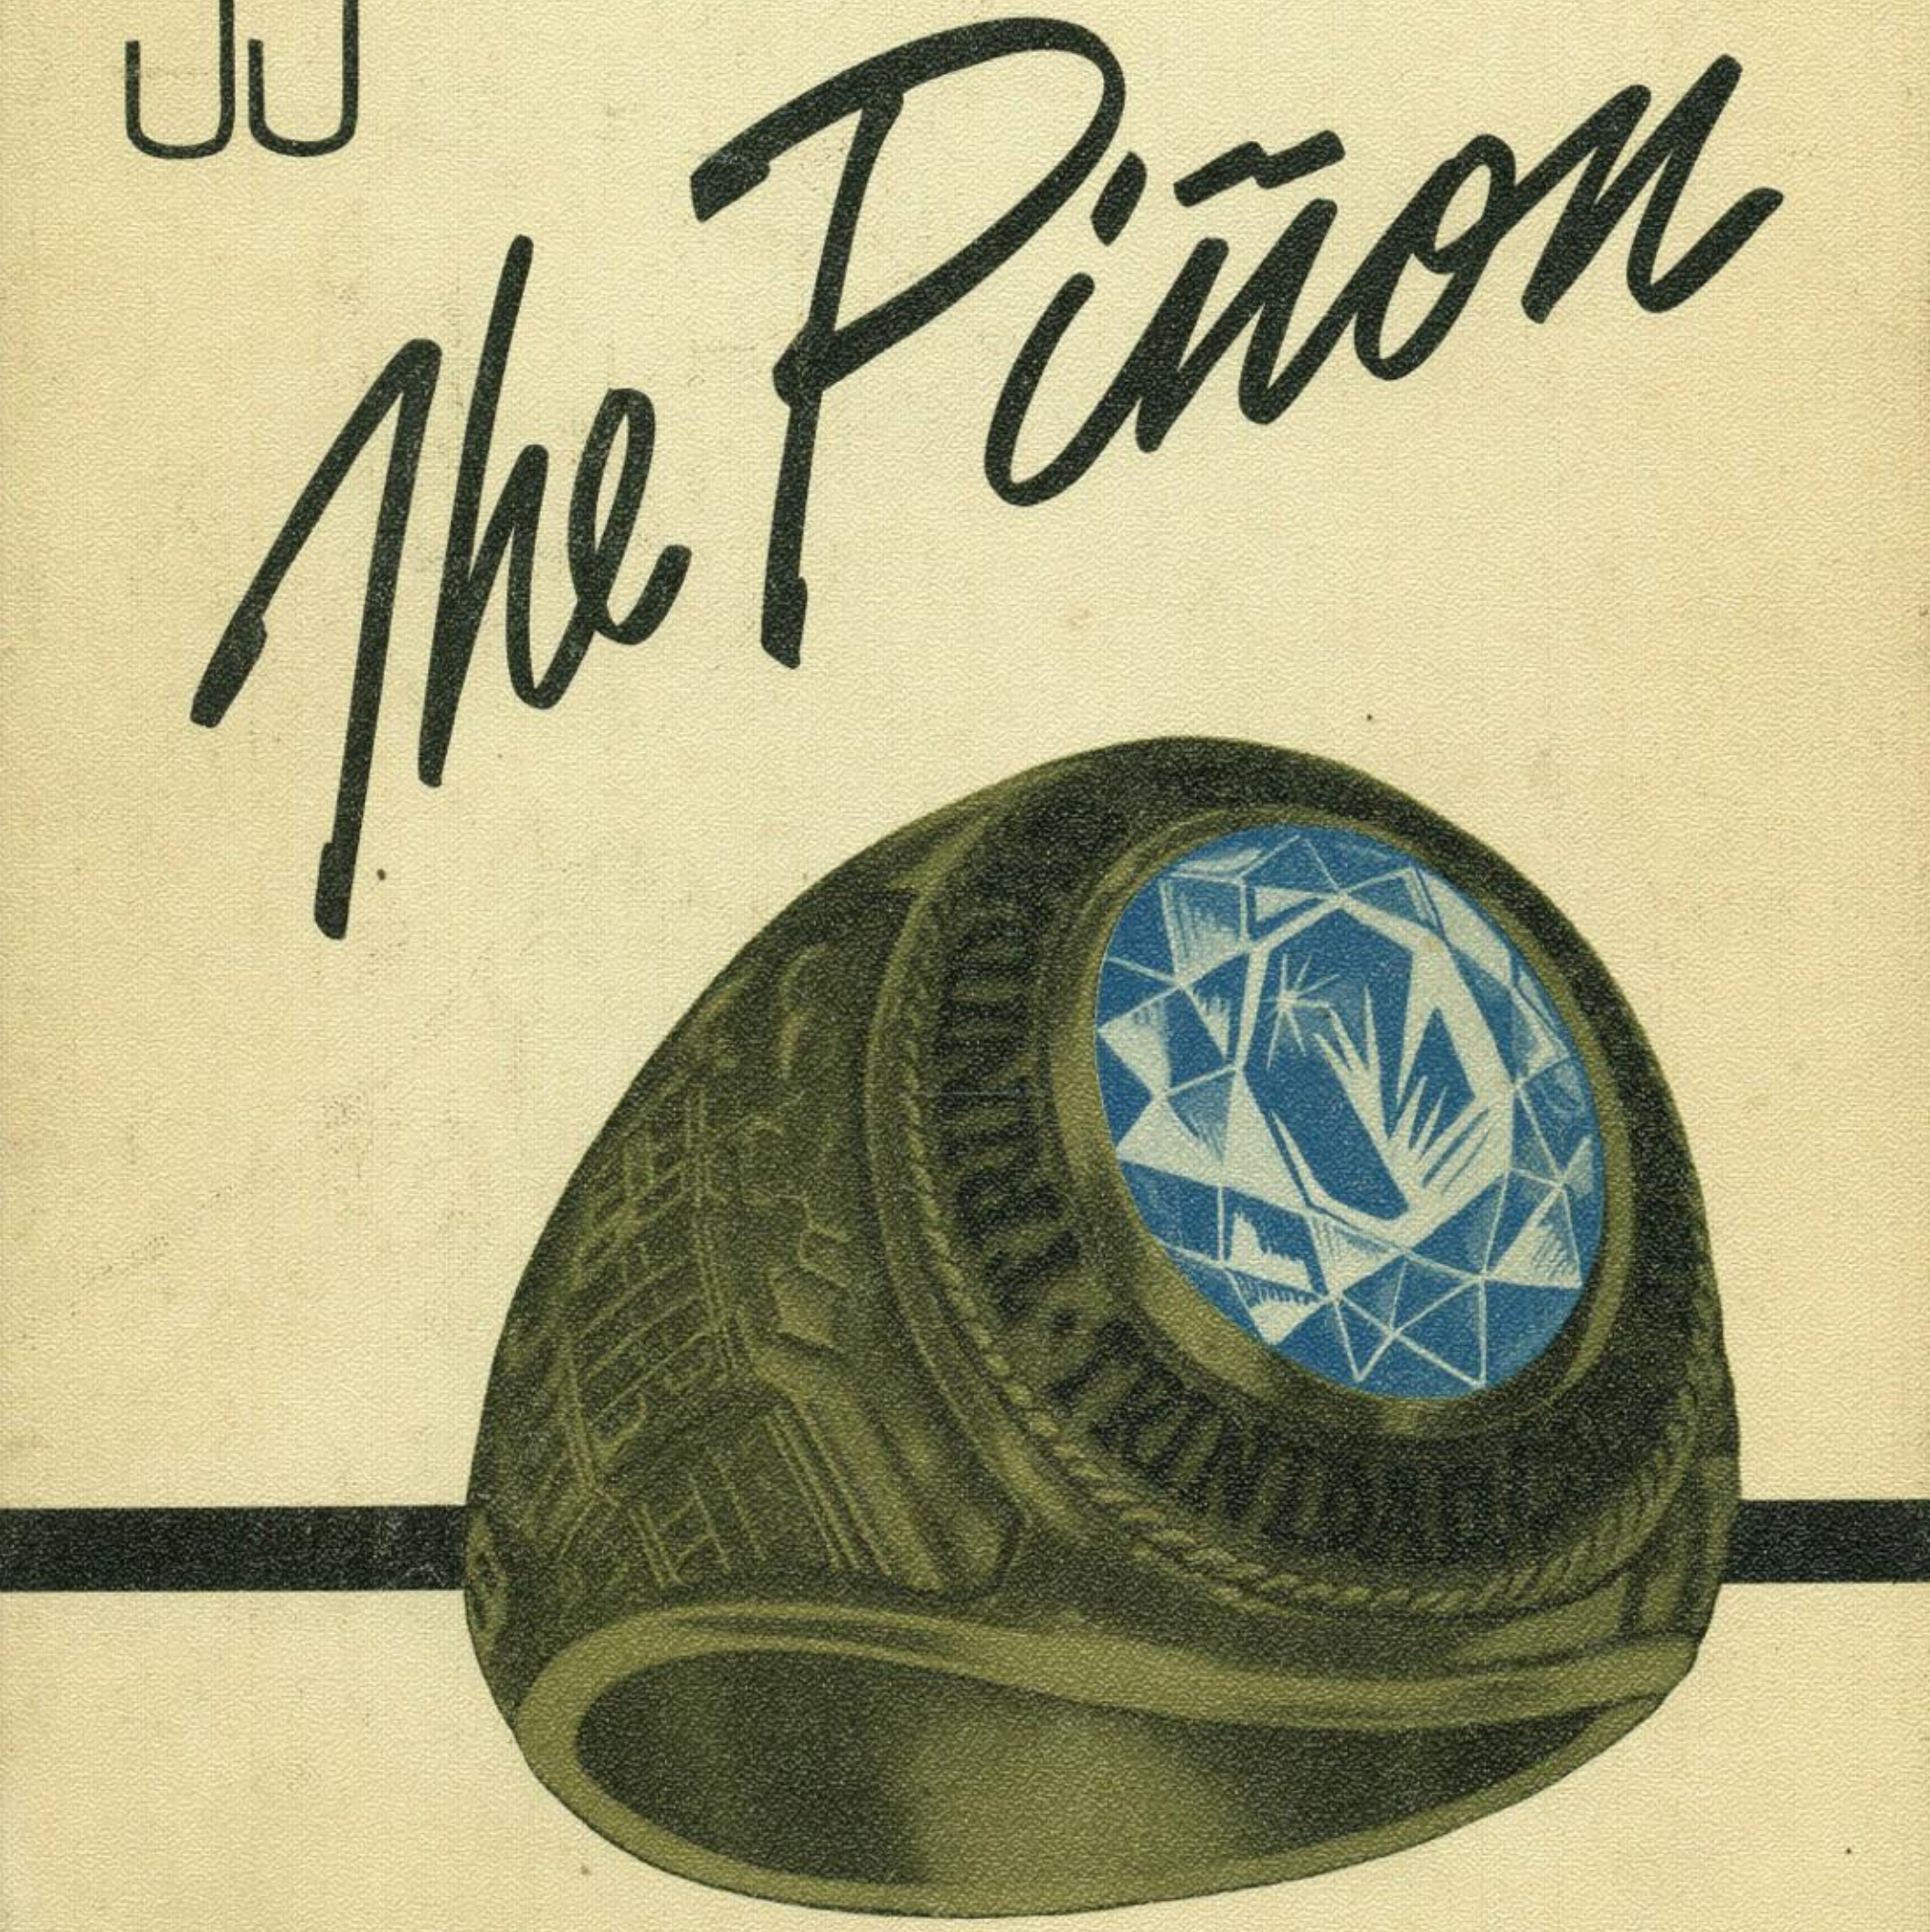
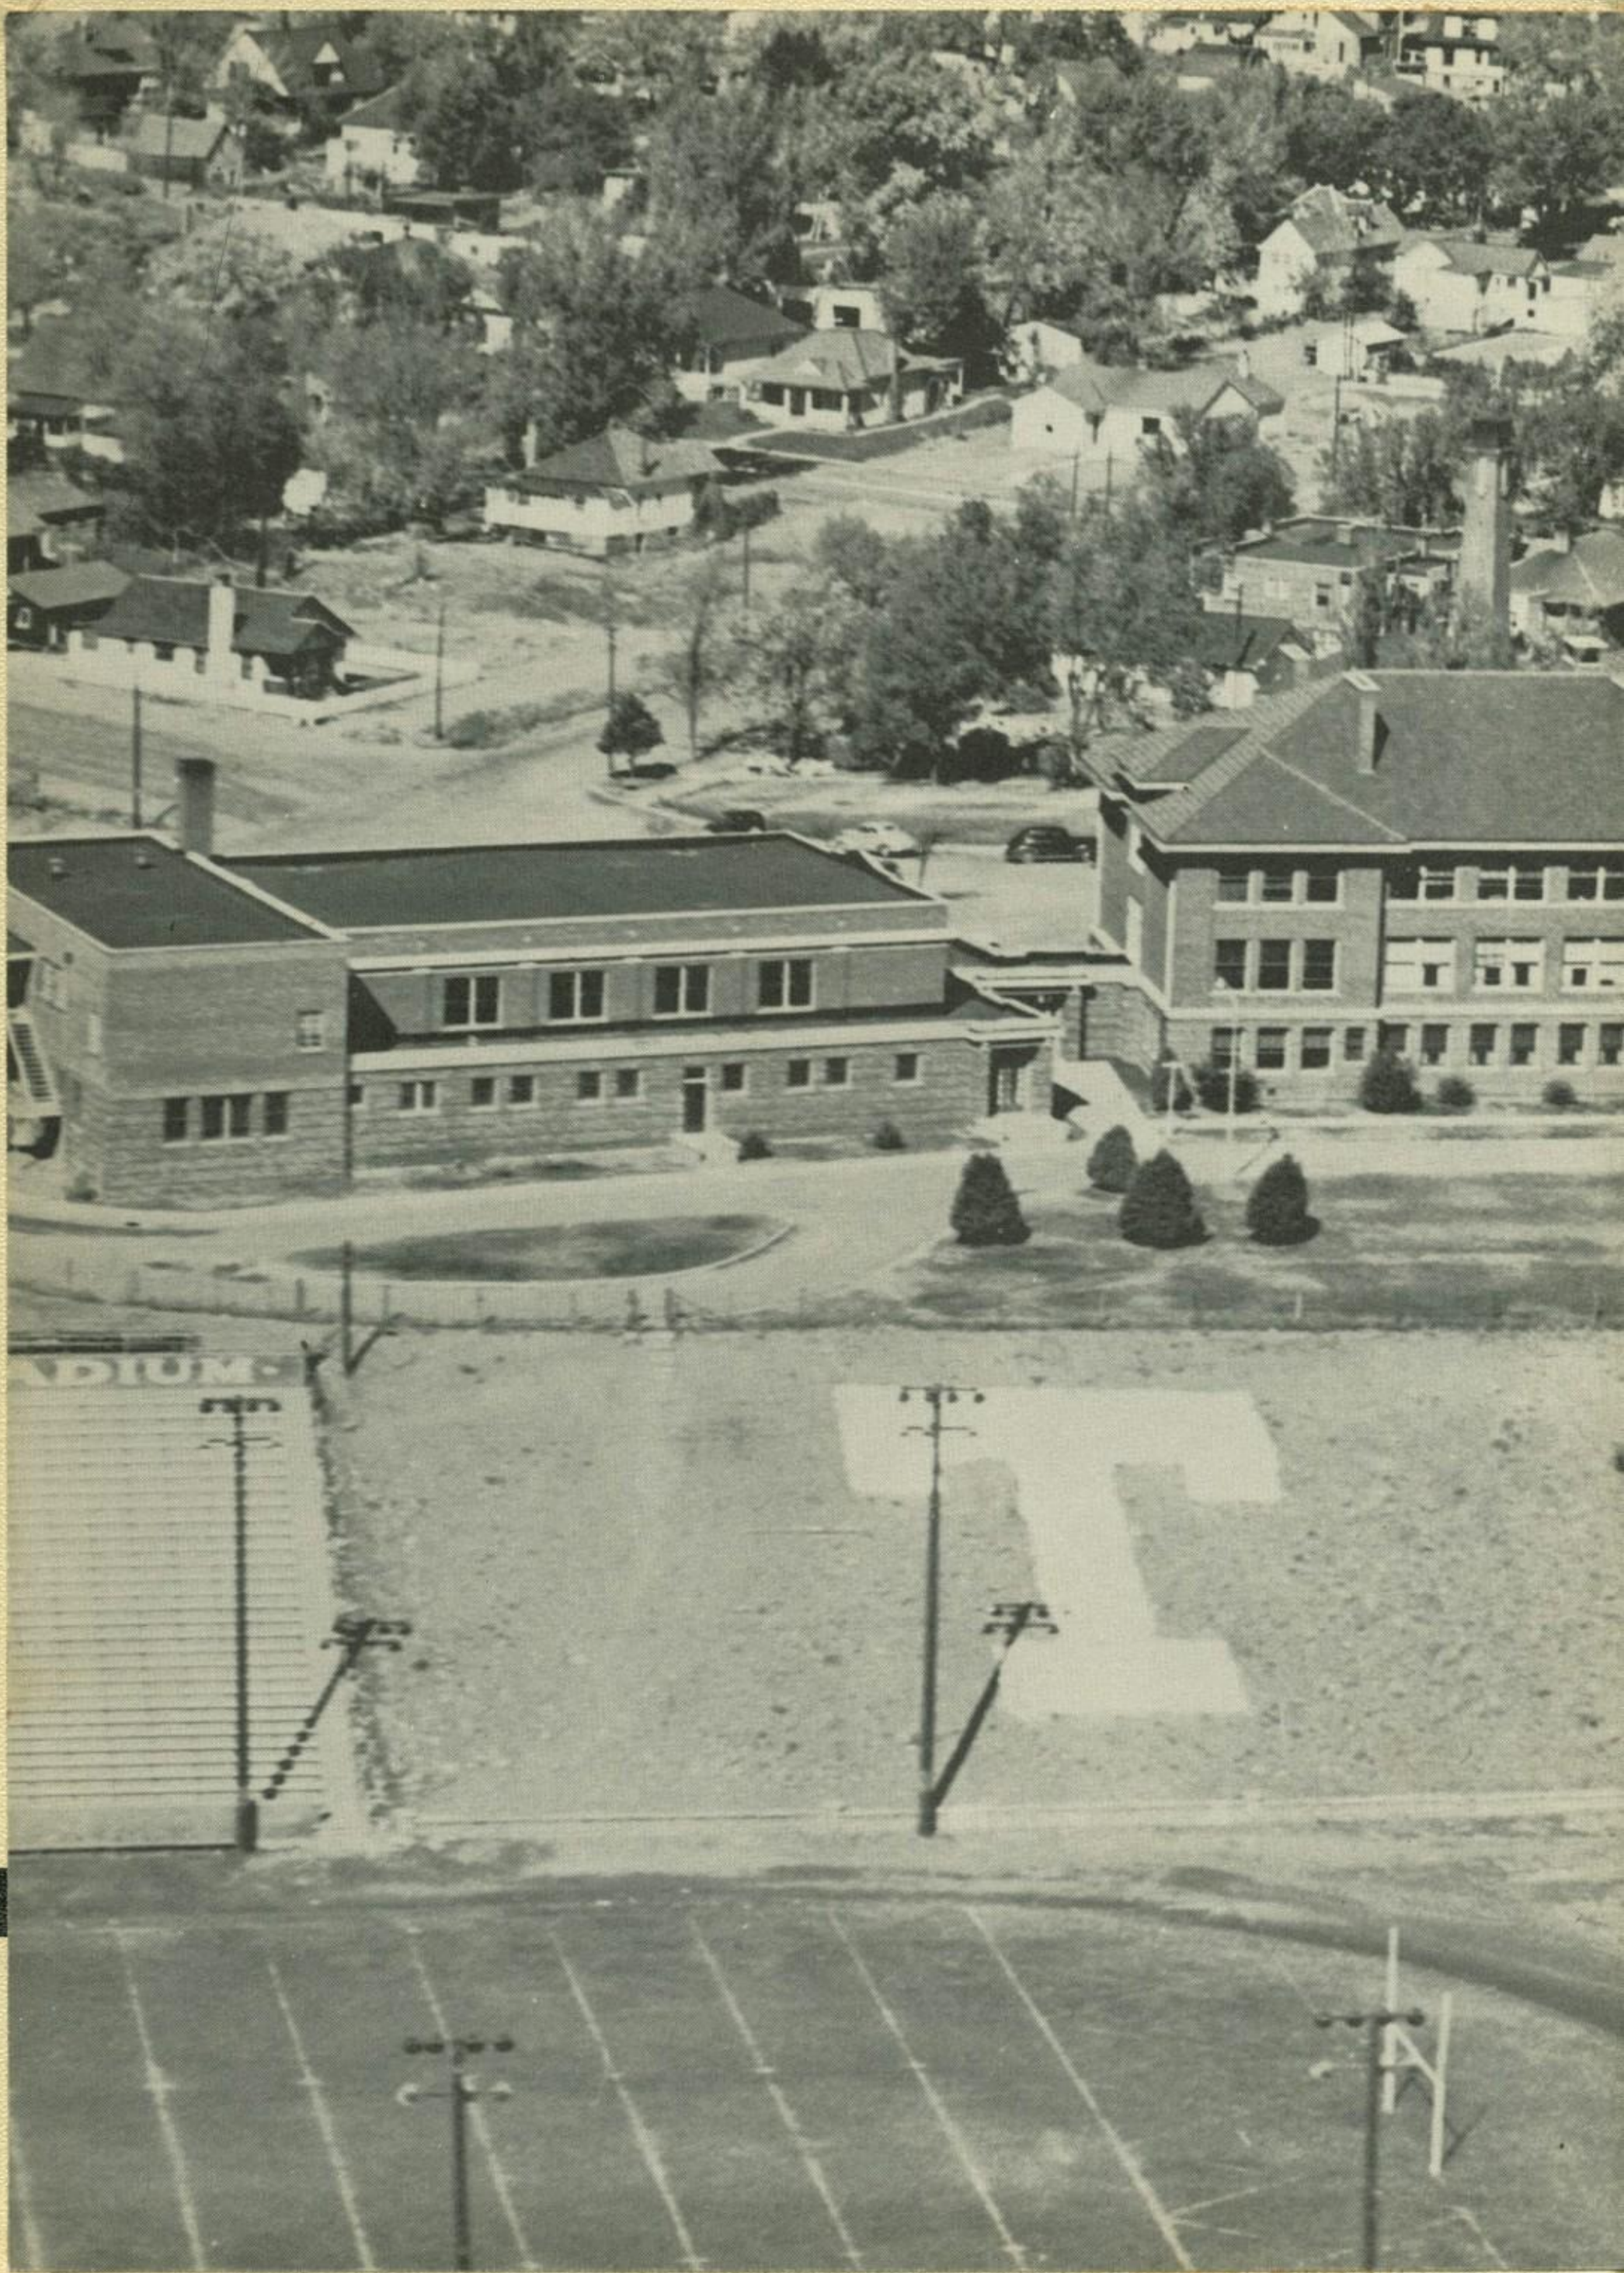
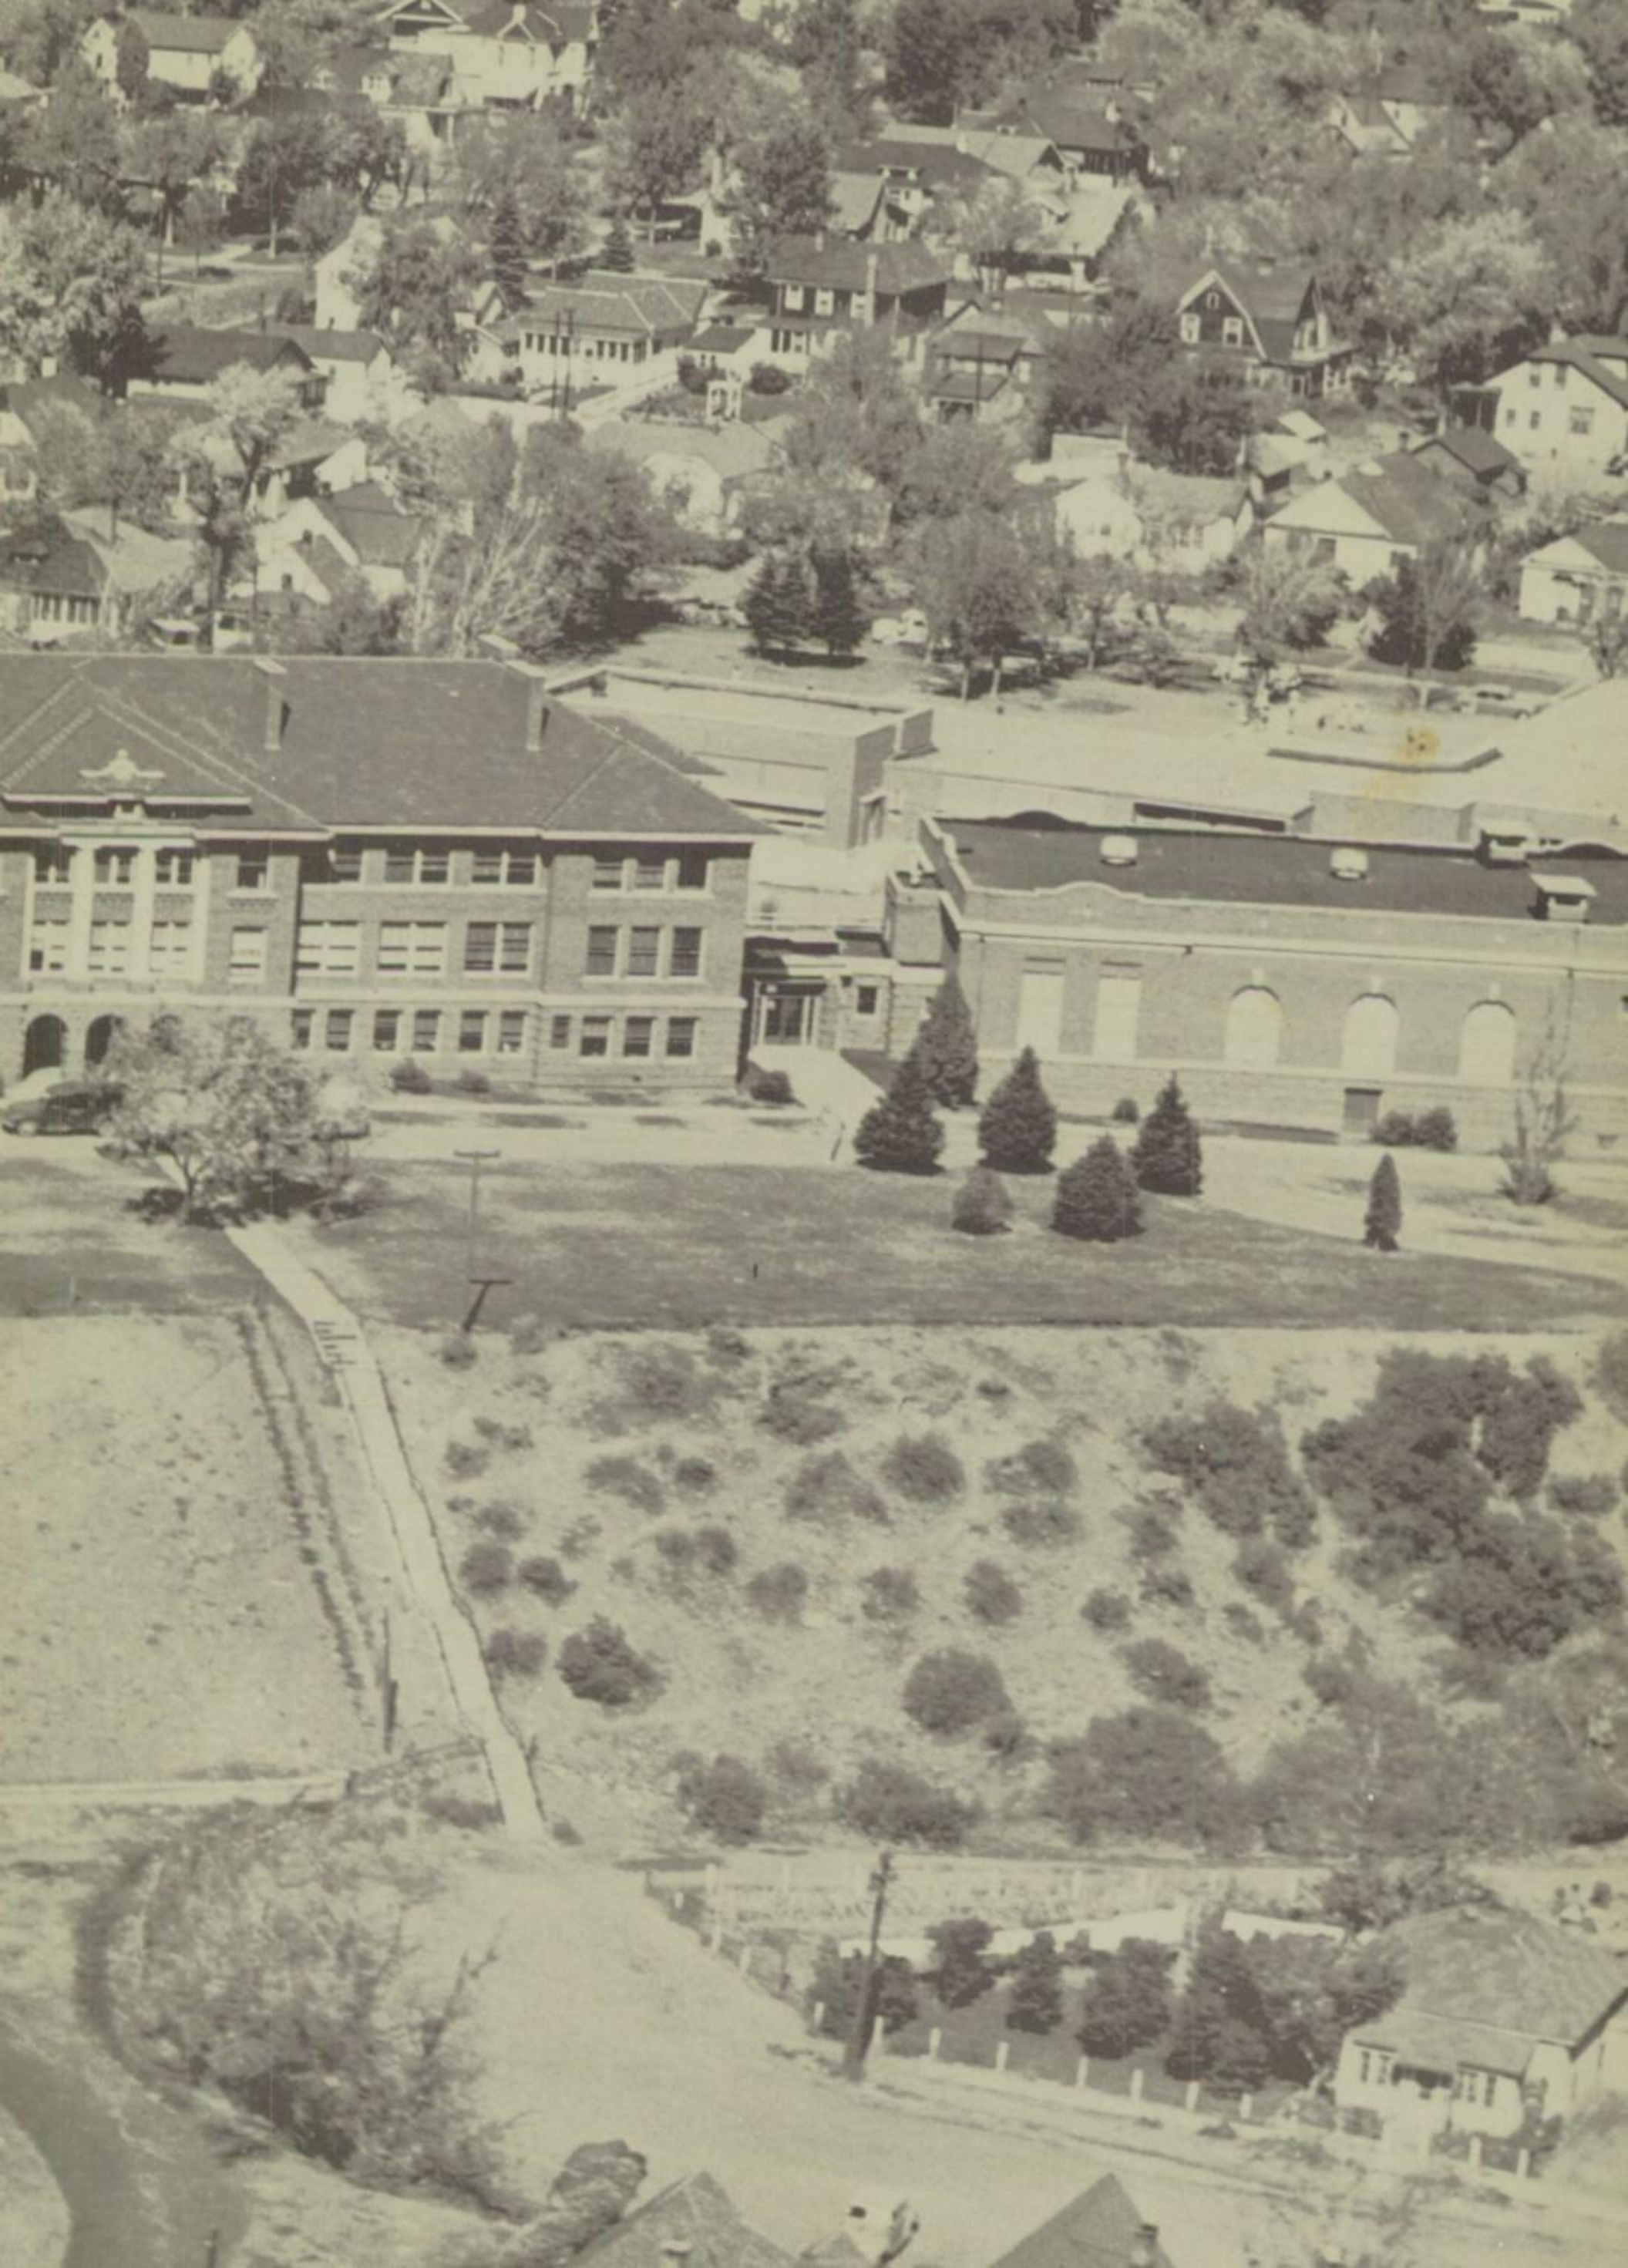
The Piñon







Cheryl Marsalis

Cheryl:

Here's to a real great freshman.
All this yr. you've really been
swell. (I didn't know you too
well, but from what everyone used
to say - it was all very good)
In my 2 yrs. at T.H.S.
I've learned that it's all wonderful.
Soooo — (Darn hell!) Best
of luck & may God Bless.

Love ya,
Rosie

We Present to the Students of THS the

1958-59

Piñon

Our theme for the Piñon this year is centered about trees as beauties of nature, which are so abundantly distributed in Trinidad and the surrounding areas. We hope you agree with us that this typifies Trinidad High School.

"For I have learned to look on nature, not as in the hour of thoughtless youth; but hearing oftentimes the still, sad music of humanity, Nor harsh nor grating, though of ample power to chasten and subdue."

- - - Wordsworth

Pinon Staff

Trinidad High School

Trinidad, Colorado

Editor: JESSIE LIKE

Although this was a terrific responsibility, Jessie enjoyed it, and put forth the best effort possible.

Sponsor
MR. HAMILTON KART

Mr. Kart patiently gave advice all year long, helping to "perfect" the little things, thus producing a successful yearbook.

Co-Editors
BARBARA COUEY (left) and KATHY DURAN

In preparation for their next year's job, Barbara and Kathy gave much help to the editor and took over a great many of the responsibilities.

Signs of the 1960 Pinon!

Business Manager
and Assistant

A note of sympathy goes with these two girls, for they had to deal with the terrific job of money! Receipts, accounts, etc. They did a VERY commendable job.

Sports Editors

Bruce Jost, Assistant, (right) and Craig Foster, in charge of sports.

Faced with the task of representing as completely as possible, every sport which occurred early enough in the year to be included in the 1959 Piñon, Craig and Bruce did a real "bang-up" job. (Look at the picture for proof!!)

The fact that both were active in sports helped them to give more complete and knowing reports on all phases of this function at Trinidad High School.

Photographers

Bob Wilson, Head Photographer, (left) and Assistants, (center to right), Judy Hughes and Cindy Frush.

"Pictures, pictures, pictures, all anybody ever wants is pictures!" This is what Bob seems to be saying, much to the amusement of Judy and Cindy. This, however, is definitely true! Only these three people know the headaches of assembling people at the right times with everyone present to take pictures for the yearbook. These people certainly are to be congratulated for meeting the responsibilities of a very trying job!

Will You Buy a 1959 Piñon?

---this was the battle cry of Irene Dominguez, Business Manager, (left, facing page) and her assistant, Rose Marie Klay.

If the majority of you students haven't purchased one of these 1959 Pinons, the staff will be forced to hang these girls "in effigy!"

Dedication

In the past 12 years Louis Stathis, as Head Custodian, has gone "above and beyond the call of duty" to help the teachers, students, and organizations of Trinidad High School.

In sincere appreciation of this fact, we, the 1958-59 yearbook staff, dedicate this yearbook to "Louie."

Administration and Faculty

School Board 1958-1959

Mr. Linn, Superintendent of Schools, gives this message on behalf of the board.

"Congratulations to the Seniors of 1959. I don't envy you the problems the world has for you, but I know you can solve many of them."

Administration 1958-1959

Mr. Welch, principal of T.H.S., conveys this thought to the students who have completed the 1958-1959 school year:

"As I have worked with students this year, I have been pleased with the spirit and cooperation shown. Through your Student Council and Student Court, you have taken an increasing part in helping to improve our high school. I would like to offer my personal congratulations to the student body as a whole for making this a very successful year."

The Closing Door

We began watching that door close in the fall of 1955. The Prom, Class assemblies, Homecoming floats, and Class plays were mere glimpses that were lived in a minute, it seemed. Our time has come - Commencement is drawing nearer and nearer - and yet, we will remember the class of '59 for it was a great class full of enthusiasm, effort, and energy. We won prizes for assemblies and floats, and even took honors on Field Day. Those were memorable days and, although we may deny it, we will miss each other and sometimes long for the security of having friends to depend upon. Our's is a prophecy of happiness and prosperity and perhaps it will mold the life of every Senior graduating in our year of 1959!!

But, as all things, good or bad, must find an end, so our high school days of decision, misery, anxiety, laughter, and accomplishment must remain behind those closing doors!!

The Juniors started out on the right foot, this year, with their prize-winning float displayed in the Homecoming Parade and pictured at the left.

This was promptly followed up by an excellent presentation of "The Little Dog Laughed" as their Junior Play which was the major money-making project for the year. The money was put to substantial use on the Junior-Senior Prom.

All of this would not have been possible without the help of their wonderful sponsors, Mr. Waggoner, Mr. Ritchey, and Miss Kiefer.

Even though the Freshman class didn't win a prize, this class made a fine showing in the Homecoming Parade (especially considering that this is the first time that they have entered a float).

The helpful sponsors have been Mrs. Jamieson, Mrs. Crabtree, Miss Scavarda, Mr. Madrid, Mr. Incitti, and Mr. Rosling.

Classes

"Just look at me!," says Cheryl Davis and the agile physical education class.

Physical Education

The Freshman and Sophomore girls' gym classes were supervised by Miss Olga Genis and Mrs. Angela Sharpe. The Sophomore and Freshman classes alternated with speech and library. Swimming, playing athletic games, and exercising are the main highlights of gym.

Arts and Crafts

"Go see Mrs. Rope," was a familiar statement whenever anyone wanted posters, signs, decorations, or just plain sheets of paper.

A pencil mark just out of line, sets one erasing everytime! Left to right: Lucille Cordova, Judy Romero, Julie Leyba, and Lydia Segura.

Woodworking

The smell of sawdust, burning wood, paint and turpentine greeted the visitor to Mr. George Trujillo's woodworking class. Some students made lamps, others chests and tables, and still others made noise and messes. Nevertheless, the work that was done created many useful and beautiful articles.

Tony Fatur pays no attention to suggestions from Lee Bonney and Laddie Santos.

Preparing for one of the many plays learned in the dramatics class are: Paula Tudor, John Walker, Pauline Shannon, Barbara Gurule, Robert Morley, and Robert Gonzales.

Dramatics

"Playing the role," was the job of the students in Mrs. Margaret Brown's drama classes. Plays, skits, humorous readings, and dramatic readings filled the class time of the students, ranging from Seniors to Freshmen.

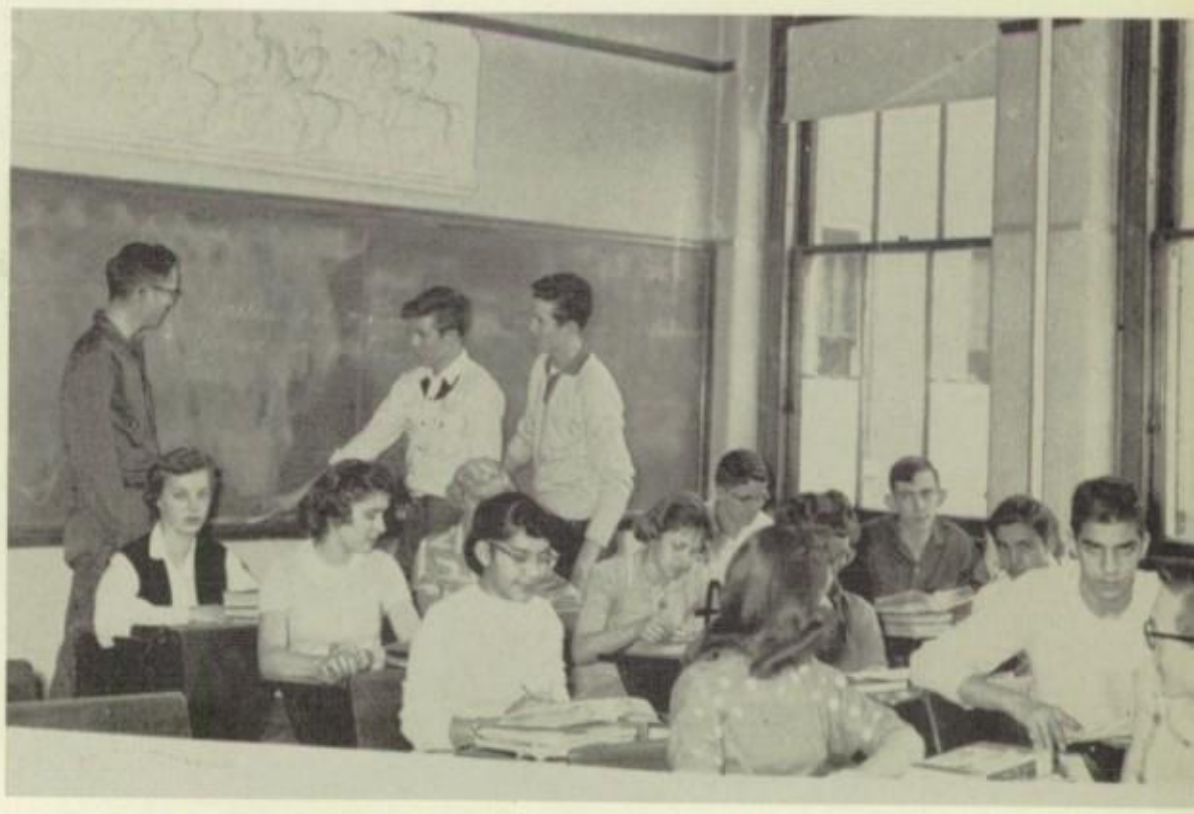
Literature

Miss Carrie Lee Horn completed the Literature and English course for many Seniors, and helped the others to appreciate great literary works.

Miss Horn is shown explaining a lesson to Warren Knobbs, Alene Torres, and Henry Anselmo.

Latin

In this age, when miles make no difference, language is all-important. As Latin forms the basis of our English language, Miss Lucile Howell realizes its great importance and besides having several Latin classes a day, she has formed a Latin Club which included many of her prominent Latin students.



Eugene Dickerhoof, Ed Loucks, and John Hawton prepare to translate sentences to the Latin class.

"Hey! Don't you know you're disturbing us!!" Left to right: Joyce Hickle, Jessie Like, Jim Dickinson, Dick Haase.

Trigonometry

This Senior math class, under Mr. T. Z. Williams, spent much time at the blackboard working problems, as these intelligent specimens indicate. With logarithms, sines, degrees, and square roots, these students found their hands full.

Algebra

Heaven favor the Freshman, no one else does! Ask Mr. Williams. It is here that they learned that x is more than the 24th letter in the alphabet.

"Gee, who wants to know what x is anyway?" Left to right: Robert Benedetti, David Ogren, Noreen Castner.

Spanish

A portion of the year was spent in studying Mexican legend and early Aztec language. Donna and Albert hold the Mexican flag depicting an eagle grasping a coiling rattlesnake. On the board is an example of Aztec picture writing, as well as various words which form roots of present words.

"¿Y como esta usted ?" Left to right: Tommy Martinez, Jean Ann Cordova, Donna Jean Cordova, Albert Gurule, John Passarelli, Ermie Arguello.

Typing requires concentration, precision and, above all, patience.

Office Machines

The business students in Mr. Palmquist's office machines class learned to use these machines: ten-key adding machine, full keyboard adding machine, rotary calculator, key-driven calculator, electric typewriter, bookkeeping machine, variotyper, mimeographer, and the Gestetner duplicator.

Bookkeeping

In the first and second year of bookkeeping, Miss Wilma Kiefer teaches the basic fundamentals of bookkeeping for private organizations, corporations, and partnerships.

"...and the thing that's REALLY important.." Miss Kiefer explaining bookkeeping tactics to Rose Suazo, Patricia Vigil, and Joanne Villani.

Typing

First year typing under Mr. Joseph Furia is sure to give you grey hair! Not Mr. Furia, just that TYPING! Louie Stathis, the janitor, appreciates this class for the waste paper basket is always brimming with tightly squeezed balls of yellow typing paper. Somehow you live through it all without cracking up COMPLETELY.

"Oh, oh and 7 errors is failure!," mutters Lorenzo Ulibarri. Left to right: John Caballes, Bernadette Gonzales, Lorenzo, and Ernestine Roybal.

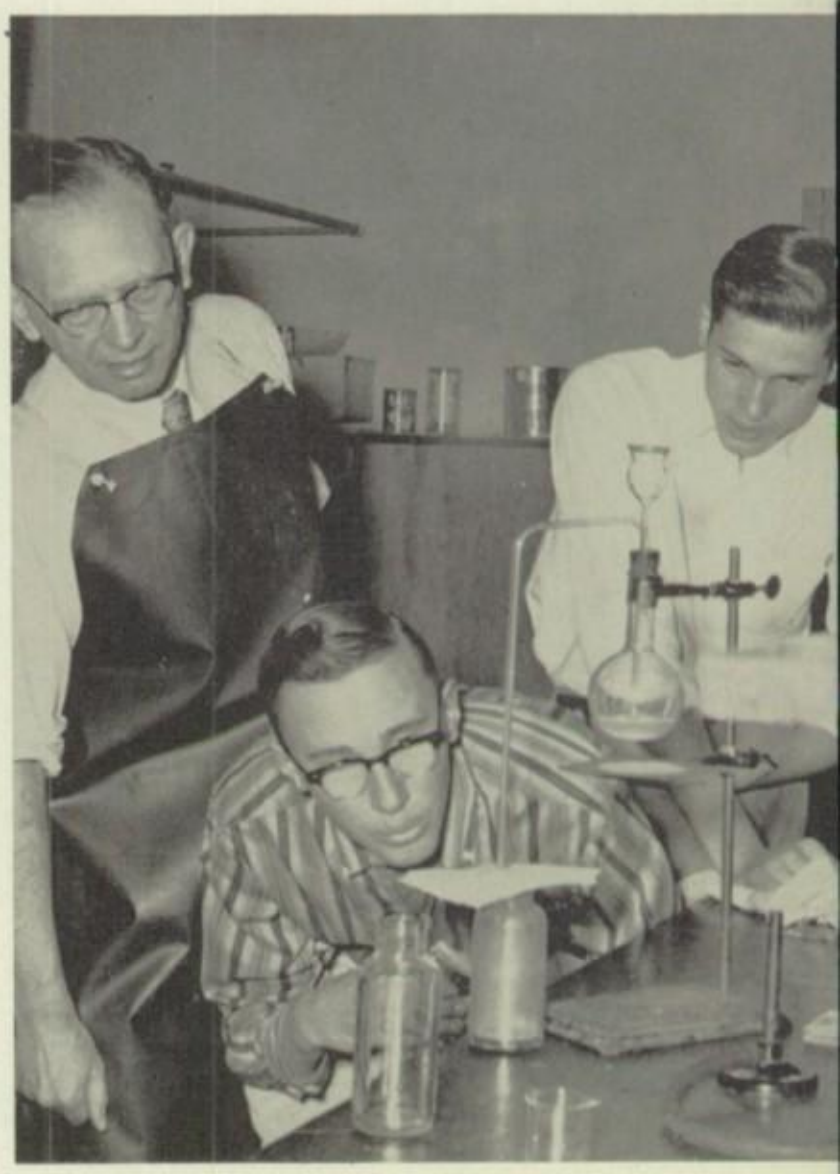
"Cutting up frogs is not so bad!," or so think Salvador Sanchez. Cathy Jenne, Celeste Zanolini, and Ed Loucks.

Biology

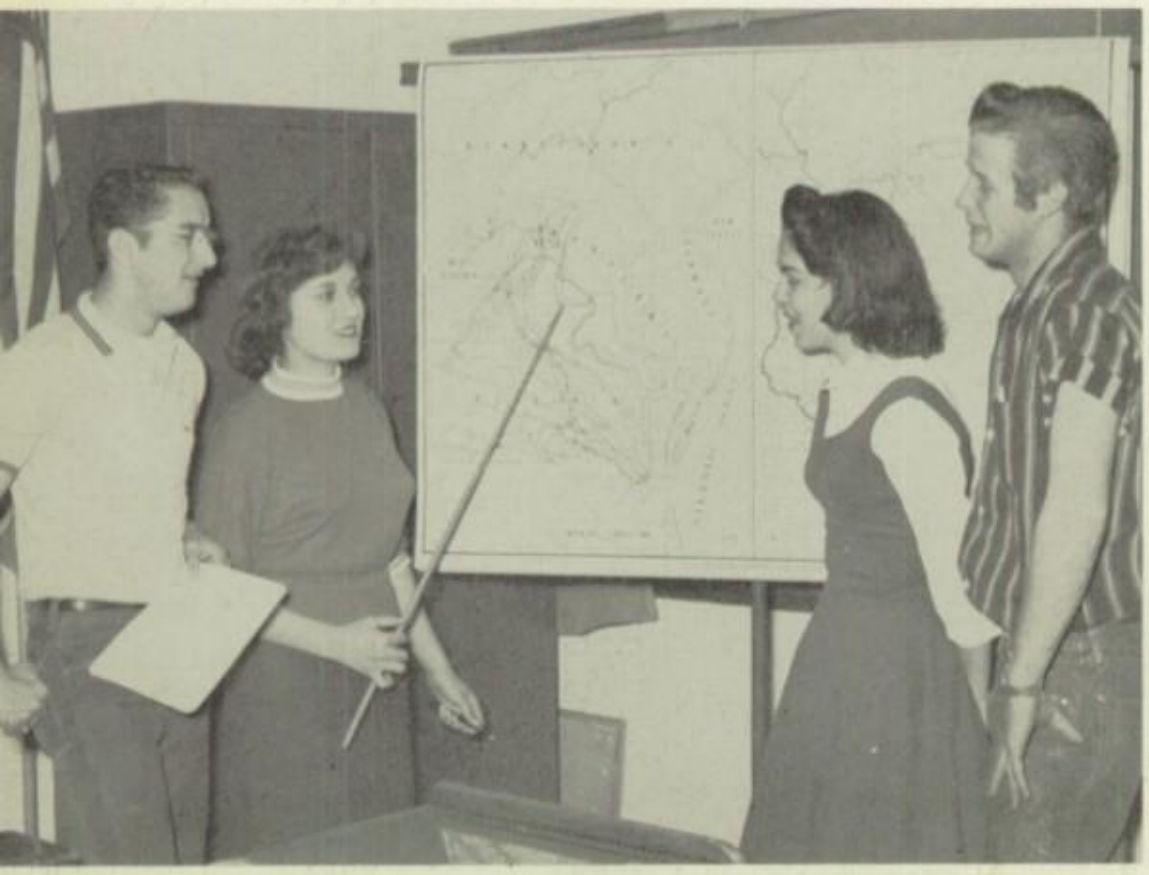
Biologist, Mr. Frank Dowell, tried to explain the fundamentals of human and plant life by having his classes study charts, draw diagrams, and experiment with "operation-frog," as depicted by the interested, though amused, Sophomores at the left.

Chemistry

Chemistry, the science that deals with the composition and transformations of substances, introduces the Junior and Senior students to the mysteries of the atom, the building blocks of nature and of transformations of gases, liquids, and solids.



Mr. Carter Ritchey looks on as Gordon East and Dan Fodor try to bottle gas in the lab.



Studying the Civil War, Irene Cordova pin-points battles to Anthony Donaldson, Elaine Banovich, and Frank Ragsdale.

U.S. History

Mrs. Jamieson, a new member of the THS staff, taught several classes of U.S. History. The Juniors and Seniors learned, or reviewed the reasons and highlights of our country's greatness.

Organizations

Student Council

Student Council is the most important organization in the student government program at Trinidad High School. Its primary purpose is acting as mediator between the faculty and the students. It is their obligation to let the faculty know the wishes of the student body, and to inform the students of the wishes of the student body, and to inform the students of the wishes of the faculty.

Our Council again chose the theme - "Scholarship-Sportsmanship-School Life" - for this year. They have done much to serve the students of T.H.S.: Sponsoring one of the most successful Homecomings in the long history of the school; Organizing a very active Student Court, which has helped a great deal in carrying out the disciplinary duties of the school; Sponsoring the annual United Fund, which has been one of the highlights of our school year; Carrying out routine business and duties concerned with governing and bettering our school.

Student Council has won two awards during the past year for outstanding community service. One of these was from the Denim Council for Juvenile Decency and the other was from Parent's Magazine. These are both national awards. Trinidad High is very proud of their Student Council and considers it one of the best in the state.

Student Court

Student Court worked exactly like a professional court and tried those Miners disobeying school laws. Those found guilty were sent to ninth hour which was conducted by the members of the court. Pictured above are, David Ravanelli, Prosecuting Attorney; Dick Haase and Ernest Gutierrez, Judges; Jim Dickinson, Defense Attorney.

Honor Society

N.F.L.

The National Forensic League is a national honorary society with over 821 chapters and over 120,000 members in the U.S. Membership is obtained by participation in interscholastic speech activities.

The N.F.L. Club this year took part in approximately 18 speech tournaments, bringing home ribbons, trophies, and many superior or excellent awards.

Thespians

Devoted to the development of dramatic arts, the Thespian troop 1386 presented various one-act plays relevant to this goal throughout the school year. To become a Thespian, it was necessary for one to obtain ten points by taking part in plays or doing assigned tasks. Pictured above is Mrs. Brown, the sponsor.

Latin

Composed of second year Latin students, the Latin Club strives to learn interesting facts about ancient Rome. In accordance with this desire, every week a group would give a Latin program to the other students and at the end of the year a huge "Roman Banquet" was held. This was an extremely active organization.

Pictured above left to right are, First Row: Edward Loucks, William Flecksteiner, James Saracino; President Don Armstrong, Secretary Judy Orsland, Celeste Zanolini, Carol Ann Johnston, Mariyln Swift, Dolores Sambrano, Bertha Larsen. Library

Meeting as a class once a week, the Library Club studied a national manual of Library Science. Each girl worked in the Library during the day, and took turns working after school. Outside of classwork they had several social get-togethers.

Pictured below left to right are: Mrs. Crabtree, sitting. Standing are: Margarat Eckerdt, Sharon Williams, Elizabeth Cahill, President JoAnne Villani, Rachel Torres, Carol Dalrymple, Harriet Hargrove, Secretary Carol Ann Johnston, Vice President Patsy Evans, and Judy Frush. F.H.A.

Thirty-six members met every second and fourth Monday during the 5A period. At their meetings they made plans for projects and also for social gatherings. Some of the projects this very active club carried out were: Taking care of the concession stand during football season; selling refreshments during exams; selling candy and potato chips during lunch periods; sponsoring the annual Sweetheart Dance; attending a "planning meeting" at Fountain, and the district meeting at Colorado Springs.

The purpose of the F.T.A. is to promote an interest in the field of teaching. Thirty members met every other Monday during the 5A period, discussing teaching problems, making plans to attend Park Street School to observe teaching methods there, and plans for several money making projects. They went to a district meeting this year where they got together and compared clubs to see in what way theirs could be improved.

The band this year consisted of forty members under the expert direction of Mr. Robert Folsom. The participants were not only students from Trinidad High School, but also from Centennial and Rice Junior High Schools. Both concert and marching music were provided for everyone's enjoyment. At football games, half-time shows were featured and at basketball games, the pep band helped our cheering squad to urge the boys on to victory. Not only did the band represent THS well, but it also performed for the Trinidad Junior College half-time Homecoming show, and the Centennial Junior High Halloween parade. This year's band members were, Centennial: Leroy Arguello, Sharon Doherty, Sally Hudson, Joan Jonach, Shirley Mares, Dianne Roberts, Judy Rydberg, Donna Sehon, Russell Sehon, Roger Zancannelli. MRS. DIPAOLO
Sponsor

One of the finest Pep Clubs ever formed at Trinidad High School showed up to cheer the Miners on to victory this year. 133 girls dressed in blue and white made a fine showing as they yelled from a block section at games and marched for the 1958 Homecoming. A merit system made the club an achievement this year. Freshman girls were required to earn the "T's" they only had to buy formerly.

Below is a picture of the club marching for Homecoming.

Cheerleaders

KATHY DURAN
Junior

Pep? Energy? Well, whatever it is, one can't help admiring the spunky 1959 Miner Cheerleaders who attended as many "A", "B", and "C" football and basketball games as possible.

After being re-elected through votes cast by the student body, the three senior cheerleaders, Jessie Like, Priscilla Medina, and Alene Torres, initiated the two newly elected junior cheerleaders, Kathy Duran and Barbara Couey, by practicing diligently with them on the various techniques of cheerleading.

Football started off with a bang! The Miners were victorious over Santa Fe, New Mexico and the cheerleaders who had practiced faithfully during the summer, were present along with a spirited pep club to encourage the team.

With the whirling snow came basketball season and a very prosperous one at that. The "A" squad did very well in their bracket and the "B" squad received the title of "Champions" at the annual T.J.C. tournament.

In summing up a year of constant activity and excitement, the cheerleaders were enthusiastic over the results and wished to express their deep gratitude to Mrs. DiPaolo, for so willingly contributing her time and efforts in furthering the group's activities, and to Pat Kane for "subbing" at the various games when it was impossible for one of the senior cheerleaders to attend.

Homecoming — A Miner's Fairytale"

It doesn't look much like a castle but - use your imagination and perhaps you can visualize our little story with a Trinidad High School setting.

Coronation of Queen Sylvia
Seats by co-captains -
Lloyd Martinez and Stan Watkins.

October 16 - Snake Dance led by: (left to right) Alene Torres, Kathy Duran, Barbara Couey, Priscella Medina, Jessie Like, Pat Kane and Judy Langoni.

"Yea, Team, Say Team-Good Luck!!!"
The Homecoming Assembly - the last pep-assembly for the class of '59.

Once upon a time there was an old castle. Just an ordinary stone medieval castle. However, one thing that made it different from any other stronghold was the fact that it had no ruler. Now everyone knows that a castle without a ruler is in a very bad state of affairs. The inhabitants of the castle were exceedingly worried for they heard dreadful news that the terrible Terrors of Colorado Springs Castle were planning a sweeping maneuver. And here was a castle without a king or queen. It seemed that all was lost. Then the general of the small army, Sir Lawandas, gathered his men together knowing that this was a serious problem and they were under obligation to solve it. After much consideration, they came to the final conclusion: "Since women know more than men, we will choose a woman to reign!" Of course ALL Sir Lawandas' men were behind this idea 100 per cent, and in a short time a small but beautiful brown-haired maiden named Clauxdopedia was chosen. Indeed!! Who ever heard of a queen's name being Clauxdopedia? One could hardly pronounce it much less spell it. So, for the good of the whole province, the maiden's name was changed to Sylvia. Oh, how happy the people were! Once more the bells in the big tower pealed of a festival. From far and near the people came and joined in the gaiety and laughter at a great bonfire in the courtyard and following the bonfire, a fast, winding victory dance in the hope that these events would bolster the spirits of their war-knights under the qualified leadership of Sir Lawandas. They were not really sure of a victory for themselves, but the people were sure the Miner knights would do their ultimate best. Amidst cheers, five court JOKERS performed pep-filled gymnastics in a lively cheer for - - Good Luck!!

October 17 - Pep Club hails the Trinidad Miners in an arch of blue and white pom-poms.

The next day, everyone was awake bright and early. This was the day the inevitable clash would come between the loyal Miner knights and the awesome Terrors. People gathered in the streets as her majesty, Queen Sylvia, rode proudly through the courtyard and around her province. Minstrels played loud and clear as beautifully decorated floats drifted behind the queen as in patriotic reverence. Everywhere she went, Queen Sylvia smiled so as to hide her own fears and raise the hopes of her subjects. Then . . the moment was at hand! What ear-splitting cheers greeted the Miners, wearing the traditional blue and white of Trinidad Castle, as they rushed out to the battlefield. The fated clash came as the two seemingly balanced forces met in mortal combat. On the sidelines, crowds of spirited fellowmen yelled with joy when the enemy was pushed back..back, but cried with dismay when their own knights were forced to bite the dust. First the advantage went one way then the other until it appeared that neither side was in favor. But then..was it by magic? the Miners slowly took a slight edge, then a larger.. larger edge until..Lo and behold!! The enemy stood on bended knee and begged pitiful mercy from the victorious Miners. Everyone in the Trinidad province was so happy that they rushed upon the team and kissed them all. Sir Lawandas was even heartily congratulated by the Terror second in command for his brilliant counter-attack.

That evening Queen Sylvia was officially crowned at a great regal ball, and everyone lived happily ever after.

Fantastic as my tale may seem, our own 1959 HOMECOMING was truly as glorious.

October 18 - Grand March led by Sylvia Seats, Stanley Watkins, Alene Torres, Lloyd Martinez, Irene Dominguez, Gilford Vallejos.

United Fund Drive

"Uh uh! it's MINE!!!" This is JoAnne Villani in a "Stanley Special." Grim and determined Florence Santistevan aims to get that ball. Charlene Guadagnoli is awfully amused at the whole situation. Seniors won anyway!

THS "Slaves for a day" - left to right, Craig foster, Bob West, Bruce Jost, Richard Bonequista, Joe Bonequista, Albie Duran, and Mike Festi.

The 1959 United Fund Drive was held during the eight-day period from November 24 to December 5, 1958. The goal was set for $700., and, due to the co-operation and generosity of the entire student body, the total amount of $700. was raised.

The events included: records played through the courtesy of KCRT, two movies, a mock basketball and football game, a slave auction, a closing assembly, and a "Sadie Hawkins Dance."

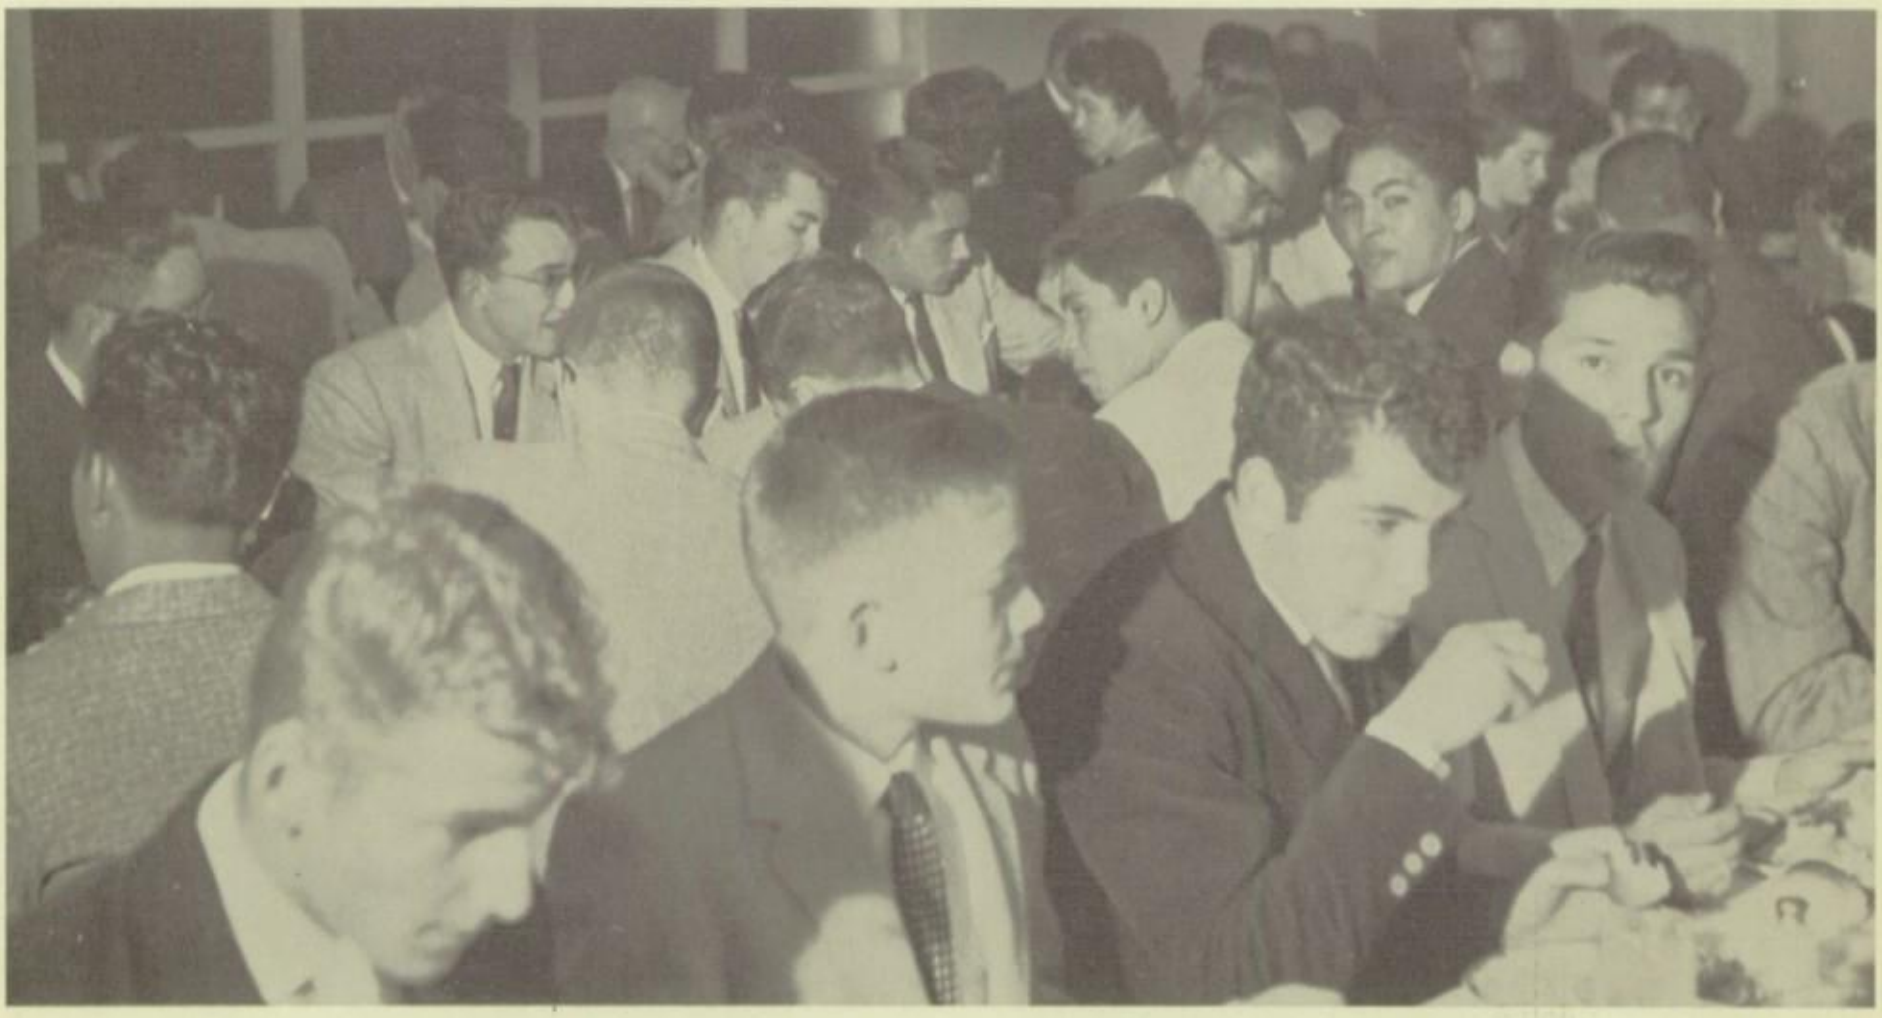
We would especially like to thank Charlie Valdez and his "Creators" for rendering the services of the talented group to the dance and final assembly as their contribution to the charity fund.

This was the only charity drive of the year. Thereafter, monetary appropriations were made by the Student Council.

Football Banquet

Dan Stavely tells a few ever-famous "football stories."

The annual football banquet was held with great success at the Pinon Plaza early in December. With John O'Conner acting as Master of Ceremonies, the evening's entertainment included a refreshing talk by the guest of honor, Dan Stavely, Freshman Football Coach at the University of Colorado. Talks were also given by others attending the banquet, after which next year's co-captains were elected. Bob West and Craig Foster were the honored two. Those who were invited to this traditional event were: the football team, coaching staff, school board, administration (and wives), cheerleaders and their sponsor, and the radio and press.



Football boys certainly can eat a lot, and the 1958-59 Miners prove this as they obviously "dig in."

The cheerleaders proudly display the cake they provided for the banquet. Left to right: Kathy Duran, Alene Torres, Jessie Like, Barbara Couey, and Priscilla Medina. Mrs. Violet DiPaolo sponsored this little contribution.

Head Coach, Dutch Nogel, talks to the boys about the 1958-59 season.

Junior Play

" The Little Dog Laughed"

On Friday, November 21, the Junior Class of T.H.S. presented the play "The Little Dog Laughed," a three act comedy, in the High School Auditorium under the direction of Mrs. Margaret Brown.

The play told the story of Laurie Huntington, a college sophomore majoring in psychology, returning home for the summer vacation. No end of complications and funny situations resulted as Laurie "psychologized" her family and friends. In desperation the family turned the tables on Laurie when she was entertaining her boy friend Mark. Laurie was finally cured and the Huntingtons settled down to a normal summer.

The cast was as follows: Paula Tudor, Barbara Renner, Richard Nunez, Bertha Larsen, Robert Morley, Edmund Valdez, Bruce Dickinson, Sharon Williams, Judy Hughes, Judy Hinton, Maria Montez, Lucille Vigil, Barbara Gurule, Richard Vigil, Rachel Torres, Barney Gomez, John Walker, Pauline Shannon, Richard Shannon, and the Gypsy.

In the lower picture, the plot continues, to reveal the two counterfeiters, Abbie Phillips and Guthrie Rosewater, who is now holding the group at gun point while the money is being retrieved by Abbie.

Mr. Cutter interrupts an absorbing conversation being carried on by Irene Gleason and Hilda Hawkins..

Sweetheart Dance

"You heard me; I said I didn't want to be in any picture!" Frank Coke entertains Gloria Mariano in the sitting room at the Country Club.

The Sweetheart Dance crowd enjoys the melodious music.

"Will you be my Valentine!" This was the exclamation made by several at the well-attended Sweetheart Dance held at the Country Club on February 12. The Sweetheart Dance was sponsored by the F.H.A. organization under the supervision of Mrs. Ora Harlan.

Those who attended found an appropriate setting of cupids, hearts, and all those objects attributed to Valentine's Day. Melodious music was furnished by the T.H.S. dance band. Truly this year's Sweetheart Dance was a complete success.

Milicent Cooper (left, background) seems to have captivated her partner, Steven Smith.

Barbara Couey seems very interested in what Cathy McClain is saying.

School Dances

"Everybody dance!"

"Come on, it can't be that bad."

The active Lettermen's Club was the sponsor of several open dances held after games during basketball season. These dances were given to obtain money for jackets and equipment for the Lettermen. Music was provided by a phonograph and records. All who attended enjoyed themselves thoroughly.

The "B" and "C" squads compiled an excellent record this year under the direction of Coach John Kilpatrick and Coach Swede Palmquist. As their record clearly shows, they should contribute considerably to the varsity next year.

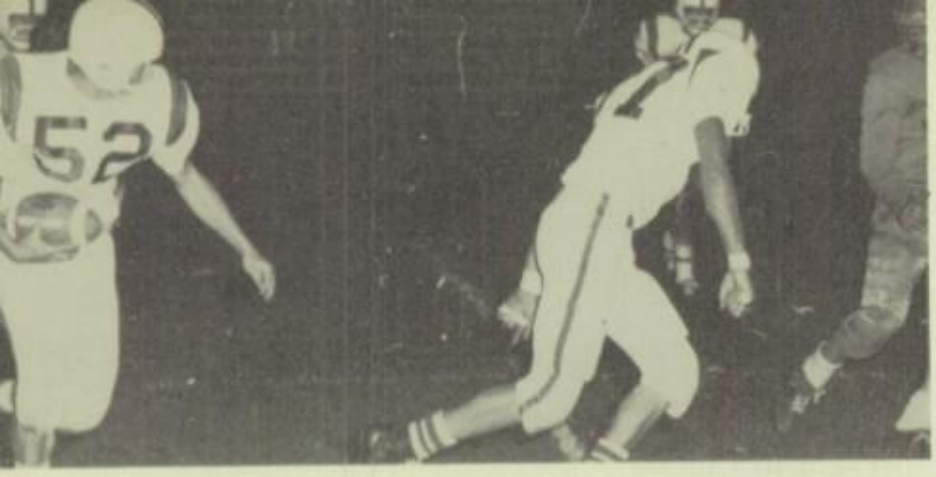
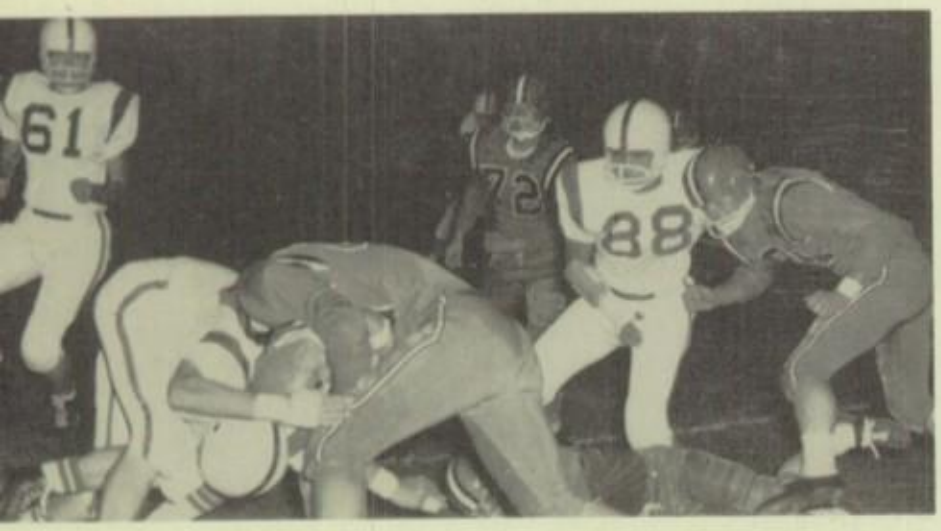
The T.H.S. "A" squad, under the direction of Head Coach, Dutch Nogel, and Line Coach, Gene Gagliardi, compiled one of the best seasons in the history of the school, winning 8 and losing 2. Next year's team, with their returning letterman, will be top contender for next year's South Central League Crown.

Coaches, left to right: Swede Palmquist, Gene Gagliardi, Dutch Nogel, and John Kilpatrick.



Santa Fe — 20-6

In the Miners' first game of the season, they defeated the Santa Fe Demons. Although the Miners started slowly, spotting the Demons a first period touchdown, they staged a come-back by outplaying and outscoring them the rest of the game. Although Trinidad won by a comfortable margin, they made several mistakes and muffed some good scoring opportunities. With the Miners ahead 7-6 at the halftime, they came back and scored additional touchdowns, securing the victory.



Cortez — 20-0

Trinidad remained undefeated by beating Cortez 20-0 in a repeat performance of last year's game. As a result, the Panthers were seeking revenge. Cortez was never a serious threat as Trinidad kept them in their own territory most of the night. Watkins and Dickerhoof were Trinidad's big ground gainers as they scored the Miners' touchdowns.

Lamar — 38-0

The Miners outclassed the Lamar Savages in every department as they rolled to a crushing 38-0 victory. They scored in every period as the Savages could go no farther than the 23 yard line where they lost the ball on downs.

LaJunta — 33-0

The Miners rolled over their 4th straight opponent with ease. The Tigers were never in the game as the Miners completely dominated it. They lost several scoring chances on penalities but cashed in on their other chances. With reserves playing most of the second half, the Miners scored 26 of their points in the first half.

Albuquerque — 40-0

The Miners smothered Albuquerque in one of their best games of the season. With Watkins and Dickerhoof scoring 5 touchdowns between them and constantly breaking through their line for long gains, they provided the big scoring punch for Trinidad. The most exciting play of the game came when Watkins returned the 2nd half kick-off for 99 yards and a touchdown. This was their fifth straight victory of the season.

Central — 6-7

The hardest blow that The Miners took all year was bowing 7 - 6 to Pueblo Central. Central started off by scoring in the first period. At the half it was 7 - 0. After a 60 yard run by Stan Watkins that was called back, the Miners were able to gain 6 points. The extra point, the deciding factor of the game, was not added and the score ended up at 7 - 6.

Colorado Springs — 13-7

Bouncing back from their previous defeat the Miners won their homecoming by defeating Colorado Springs for the first time in 5 years. The Terrors put in the first bid by racking up 7 points in the second period, but the Miners had it tied up at the half. The Miners made the last touchdown of the game in the third quarter. The final score 13 - 7.

Raton — 34-14

Starting off fast but sagging in the third quarter, the Miners pulled away at the last of the game to whip our rivals across the border 34 - 14. A punt return and pass interception started the scoring. The scoring was kept up until the final gun, except for a slump in the third quarter when Raton picked up two quick touchdowns. The gun popped with Trinidad ahead 34 - 14.

Grand Junction — 20-7

One of the toughest games that the Miners dropped this season was a 20 - 7 loss to Junction. The Junction Tigers scored twice in the first and once in tne last half. A costly fumble, which could have meant the game for Trinidad, set up Junction's third touchdown. Trinidad scored once in the second half and left the score at 20 - 7.

Centennial — 48-7

Playing an almost flawless game the T. H. S. Miners literally pushed the Bulldogs all over the field. Four touchdowns were acquired in the first half while 3 more were aded in the last two quarters. Watkins and Dickerhoof were the main scores with 3 touchdowns apiece. The final gun sounded with Trinidad ahead 48 - 7. This ended their league with a 2 - 2 record.

The "Bees" lost only to Clayton, New Mexico, and Pueblo Central. They later got revenge, however, by defeating Pueblo Central by a decisive score. The team shows great promise for the future years as there were only three juniors on the team.

Daryl Dickerhoof, wrestling in the 133 lb. division, took second place this past year at state. Throughout the past season, Daryl has put forth an almost flawless performance winning 18 and losing 2. He was also South Central League Champion and District Champion in his division.

DARYL DICKERHOOF

The Trinidad High wrestlers had a very successful season.

Because very few of the wrestlers are seniors, Coach Gene Gagliardi is expectant of a good, well-rounded squad next year.

General

Each January the students of Trinidad High School hold an election to determine the friendliest, best looking and most popular students. The whole school votes to determine all school favorites and the friendliest and best looking Seniors. Individual classes ballot for class favorites.

As might be expected, many of the elections are very close. Often a student will receive votes in many areas and still fail to be elected to any one office.

For this reason, the custom has grown of using these two pages to give recognition to those students whose popularity was proven by the number of votes received in a variety of categories.

Each person on these pages received the votes of many of his fellow classmates in one or more areas. The Pinon Staff feels that they are deserving of recognition. Certainly they have contributed a great deal to their school and their class.

All-School Favorites

MAURICE EAST and JESSIE LIKE

Being favorites of the entire student body indicates the possession of many qualities. Among them are: leadership, personality, and that long-sought-after quality of "getting along with people." From the results of the entire student-body balloting, Jessie and "Mickey" were chosen as the favorites of the whole school. Congratulations to these two!

P.S. It WAS a windy day, and both do look a little wind blown, but after all, isn't this the most natural way for two carefree teen-agers to look?

Friendliest Seniors

A ready smile and a friendly welcome, were the trademarks of Irene Dominguez and Henry Anselmo; naturally, they were elected as the most friendly Seniors of all!

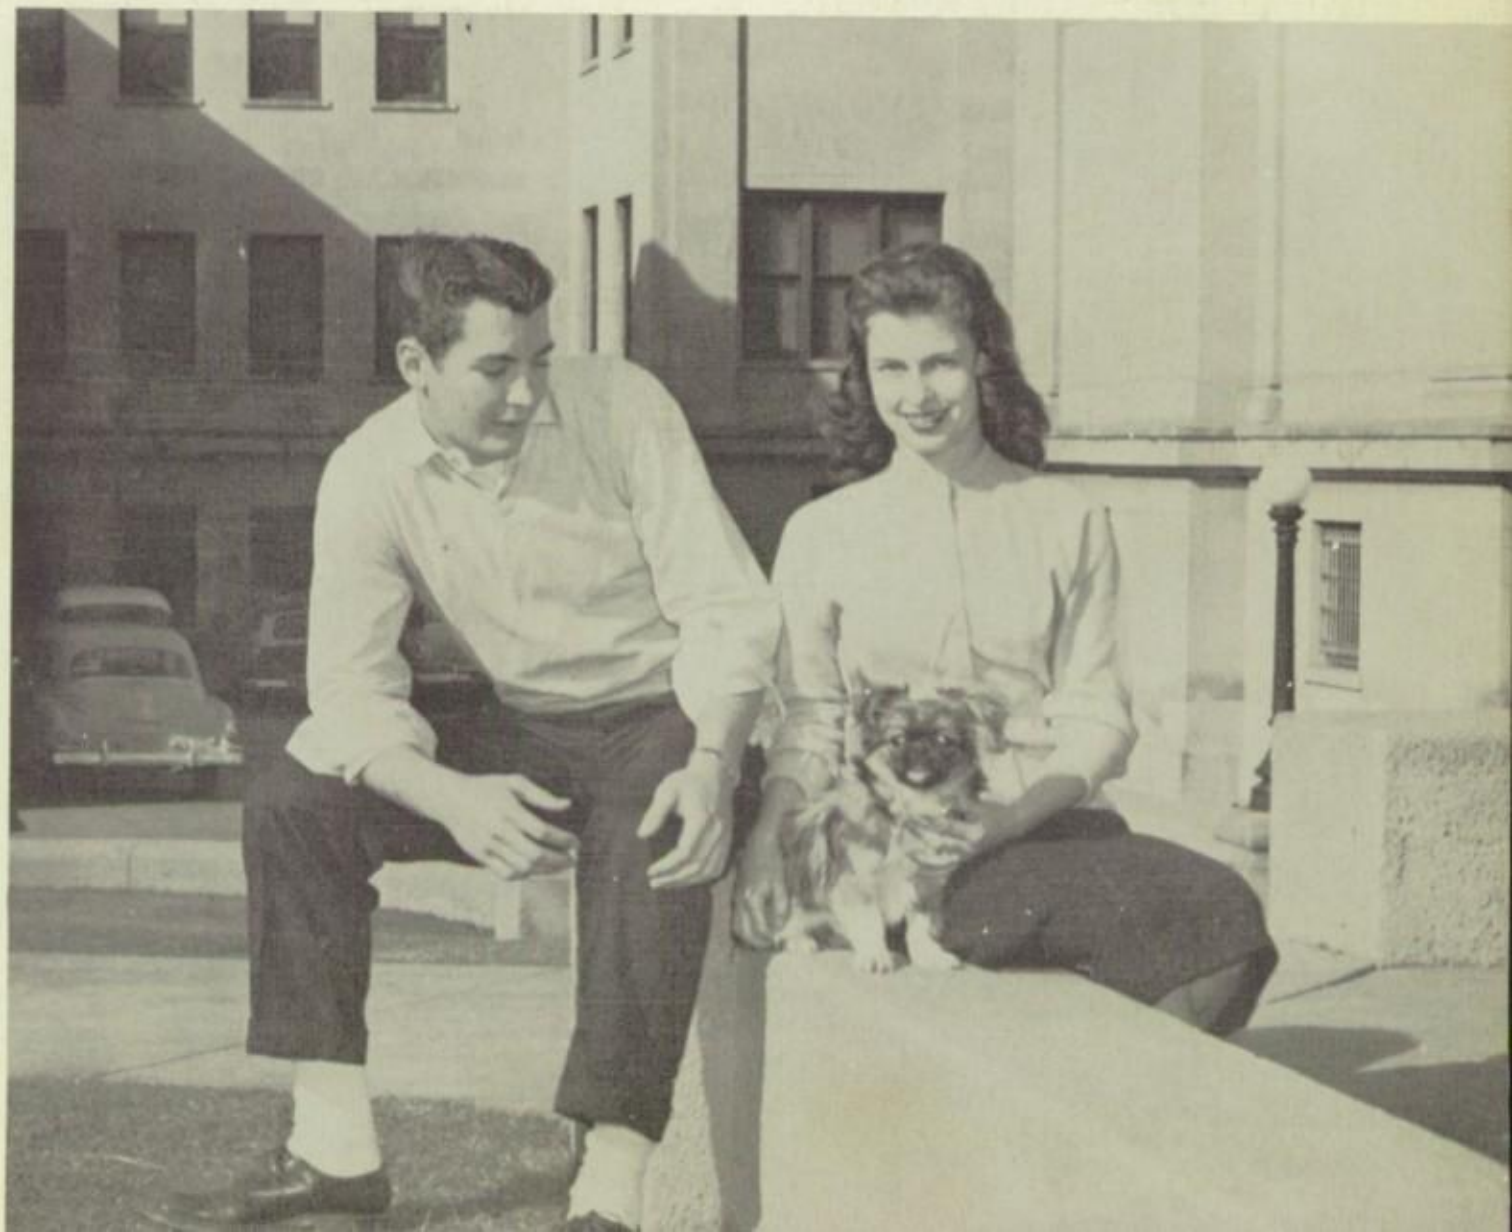
Not only were Irene and Henry pleasant T.H.S. Students, but both were active in many, many school affairs, making them top students.

Windy Simpson's Rest is a natural setting for two natural people, never pretending to be anyone other than their true selves.

Best-Looking Seniors

Good looks are always a help to anyone, and it is apparent that Sylvia Seats and Jim Dickinson will have no trouble in this field, as they were elected best looking Seniors.

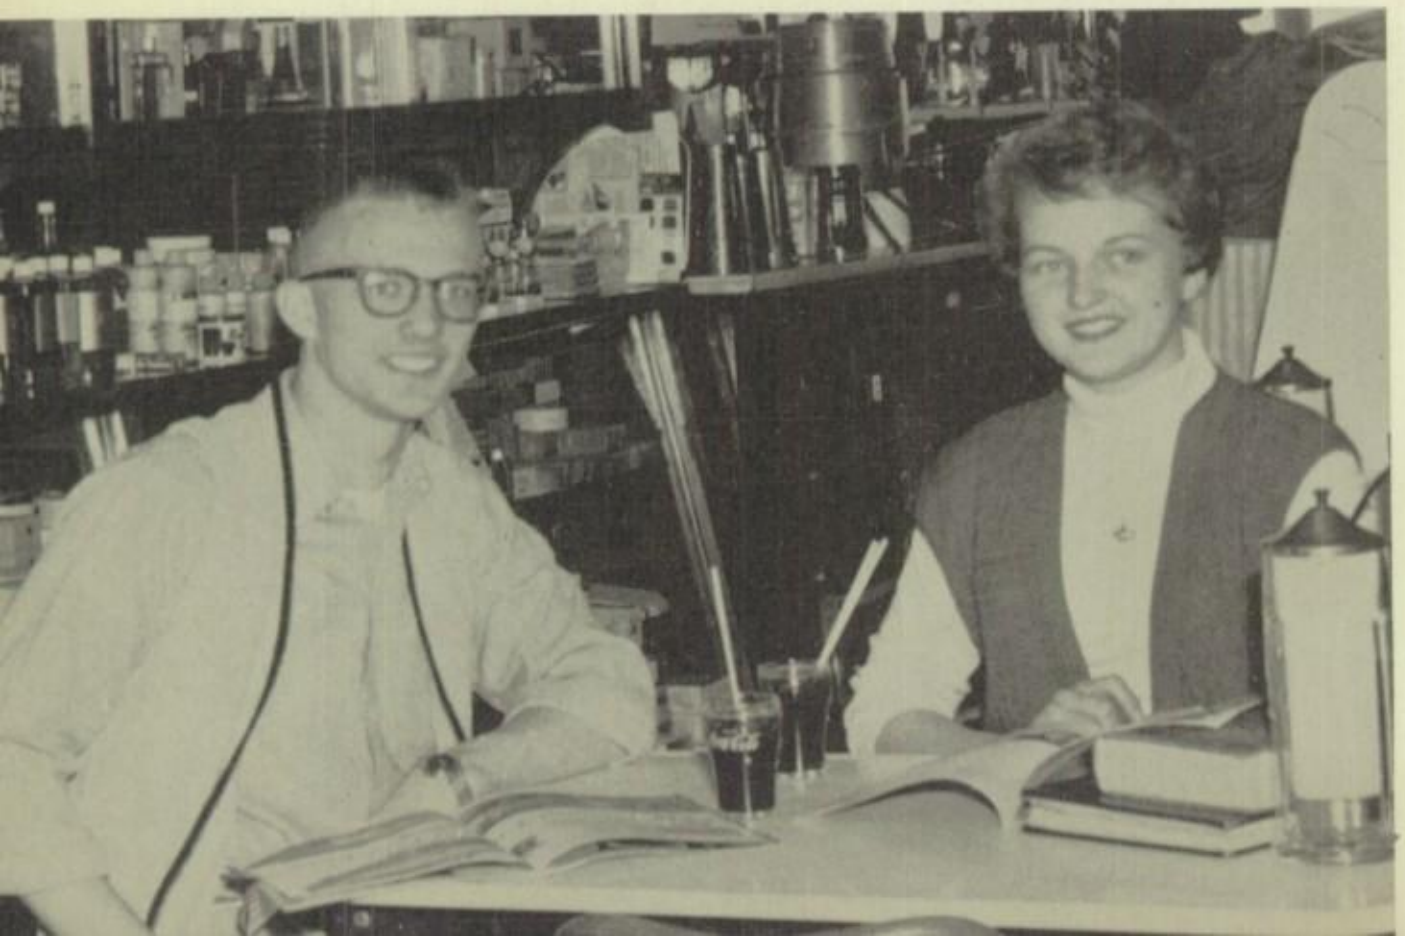
A pretty or handsome face is only skin-deep, as both Sylvia and Jim well know; therefore, these two have done all they can to benefit dear old Trinidad High by being active Miners.



Most Popular Freshmen

Although only "green" Freshmen, Yvonne Azar and Larry Ferraro have so contributed their efforts in furthering the progress of their class, that the members of the 1959 Freshman Class saw fit to select them as their most popular. Yvonne and Larry are well-known among all of the T.H.S. students, and we believe that the choice was excellent.

Most Popular Sophomores



Mary Berry and Bruce Jost were very well known Sophomores at T. H.S. Bruce was active in many sports and clubs. Mary's sparkling personality in all she did made her one of the best-liked girls in high school.

In all respects, we feel that we, as Miners, can tip our hats to this fine, outstanding couple.

Most Popular Juniors

Barbara Couey and Bob West were a definite choice by their fellow classmates for the most popular Juniors. Barbara, not only an extremely talented young lady, but radiating "personality-plus" as well, has helped to lead her class for the past three years. She held many offices and received honors which were certainly well deserved. Bob, popularly known as "Homer," always seemed to find favor with his classmates, actively taking part in many sports and receiving votes for various positions. He was also elected as next year's co-captain (together with Craig Foster) of the football team.

Both are well-liked by most everyone in school!

Most Popular Seniors

Pat Kane and Stanley Watkins were chosen by the Senior Class as the most popular Seniors. This honor is attributed to their competence in school affairs. Stanley was a very active athlete and has held numerous offices in his class. Pat was the editor of the Weekly Coal Bin which was distributed with the Trinidad newspaper, the Chronicle News. All in all, we are very proud to have had such vivacious students attending Trinidad High School.

Home Queen Coming

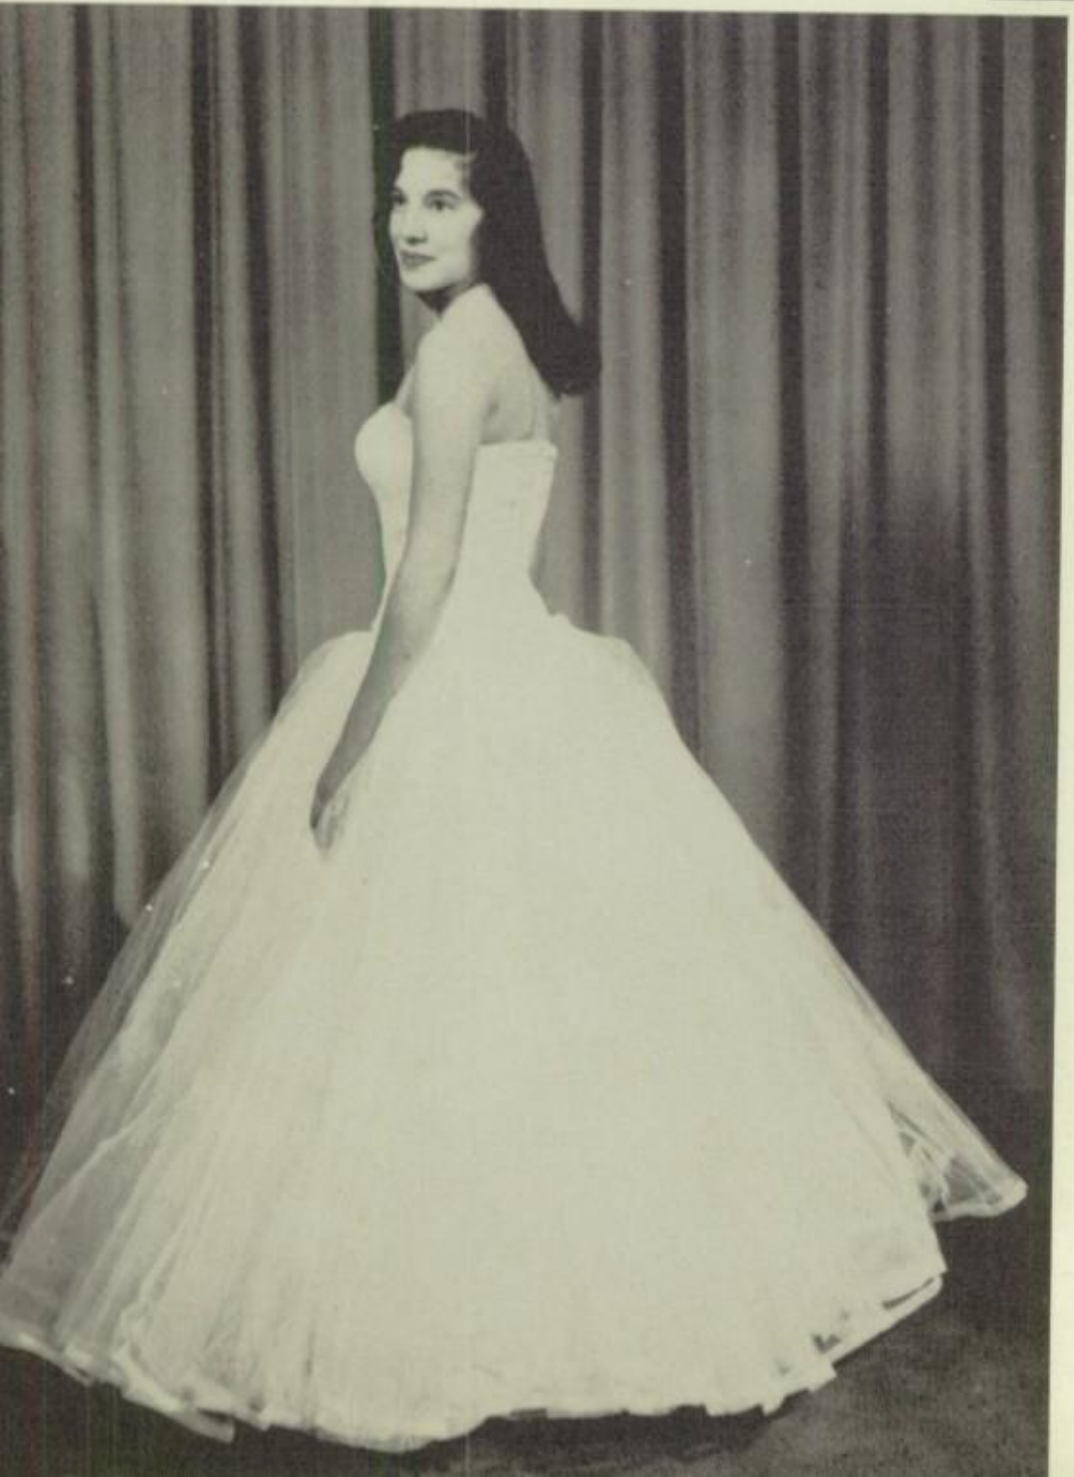
MISS SYLVIA SEATS

Chosen by the Miner football squad for her sweet personality, charm, and poise, Sylvia Seats was the lovely Homecoming Queen of 1958. The two co-captains, Stanley Watkins and Lloyd Martinez, had the honor of performing the ritual of the crowning at the Homecoming dance.

Attendant

MISS IRENE DOMINGUEZ

Serving as an attendant to the queen, Irene was her usual lovely, sparkling self.



Attendant

MISS ALENE TORRES

Alene presented a very impressive picture as the other attendant to Queen Sylvia. Certainly such a poised and pretty girl was worthy of having this honor.

MISS PAT KANE

Basketball Princess

Elected by the "B" squad basketball boys, Pat represented THS in the annual Parade of Princesses at the Trinidad Junior College Tournament.
